

**RIVER RAFTING &  
HORSEBACK RIDING  
FULL DAY**

# ITINERARY

At 9:00 a.m. the guide will pick you up from your hotel (Sacred Valley) and will lead you to our private vehicle that will transfer you to Pachar, our river put in where we will start our river rafting adventure in the sacred river of the Incas.

Each raft can run with a minimum of 2 up to a maximum of 7 people, in addition to the professional guide. You will be given the necessary information about how to paddle and what to do, and you will practice shortly out of the water before starting the run.

We will start our journey on easy waters, while we admire the spectacular views of the mountains and archaeological remains, continuing towards Ollantaytambo and its amazing Inca terraces, at the time we will experience class 2-3 rapids, to finish with “El Resbaladero” (The Slide).

We will then reach our river take out located in the community of Cachiccata (Toilets and changing rooms available) just 10 minutes by car from Ollantaytambo.

After lunch, passengers will meet the Horses and the wranglers, which will be waiting for you ready to start the ride.

Our ride will last for about two hours before reaching the end of our adventure, from where our private transport will be waiting for us to transfer passengers back to their hotel.
